*To make music is one of life's greatest gifts.  
Whether made alone or with others, it can soothe the heart,  
lift the spirit, and stir the soul.  
Sharing this gift with others is at the core of this club.*

Currently celebrating its 104<sup>th</sup> season, the MacDowell Club presents its members in an annual series of free-to-the-public programs at various venues throughout the Greater Milwaukee Community during the regular concert season. Also, occasional Houseconcerts are held in private homes for Club members and their guests each spring and fall.

The MacDowell Club supports and encourages musical accomplishment and is open to all.
