

Program

The Old 100th – Congregation:

Praise God from Whom All Blessings Flow
Praise God, all creatures here below;
Sing praise above, ye heav'nly host:
Praise Father, Son and Holy Ghost.

Praise now the Source of all we own,
For praise is due to God alone.
With joyful hearts let us proclaim
This Mystery, this holy Name!

Now Thank We All our God

Now thank we all our God with hearts and hands and voices,
Who wondrous things has done, in whom our world rejoices,
Who from our mother's arms has blessed us on our way
With countless gifts of love, and still is ours today.

O may this bounteous God through all our life be near us.
With ever joyful hearts and blessed peace to cheer us.
The one eternal God whom heav'n and earth adore.
For thus it was, is now, and shall be ever more!
